"Excellence In Dentistry With A Christian Heart"

Welcome,

We are grateful and honored by your choice in allowing us to provide your dental care. We will always try our best to exceed your dental expectations. Our mission is to serve our patients by providing optimum oral health and quality care in a compassionate, comfortable environment. We are dedicated to excellence in dentistry, continued personal development, and spiritual growth. Our practice is health-centered and strives to help our patients maintain their smiles for a lifetime in a state of health, function, and pleasing appearance.

Your first appointment will consist of a comprehensive examination and the appropriate x-rays. We will evaluate the health of your teeth and gums. At that point we will discuss any treatment you may need and develop a plan that works for you! We will also get you on a hygiene schedule to get your teeth nice and clean.

We ask that you please arrive 10 minutes before your appointed time. Make sure you remember to bring this paperwork with you!

We look forward to seeing you soon,

Dr. Tim Burgiss
